At the Agency

(walking towards the door)

(John is looking at a poster)

(where are the Justice Warriors?)

John: I wonder what happened to them? We haven't had heroes for a while but superheroes are illegal

James: hey John how are you doing?

John: hey James I'm doing alright I'm just tired after yesterday

James: I know but today is even going to be worse since we have to be under covers at the mall

John: Yeah bombs someone is leaving bombs everywhere I swear I wish this could end

James: oh look who here?

John: is it Mike?

James: yep!

James: I hope someday people become superheroes but it has been illegal in the US since the war in 1998

John: The captain is coming

The Captain: Attention, ok agents there's been a bomb situation going on everywhere we are gonna catch who it is it's going to be at the mall

(Mike's thoughts)

This is not good he's gonna know this whole thing is my plan I need to figure it out and we can work alone with this I got it

John: Mike let's go

At the mall

John: I can't believe The Captain put us into a team

(walking)

(staying behind the wall)

Random guy: ok Mike where is the money?

Mike: Not yet before you put bombs around the mall I don't want my idiot partner to catch us doing or else my career is over

John: no way all of this is a set up i have to get a picture of this to show the captain

(takes a picture)

Mike: huh? Who there?

John: Mike what the hell are you doing I am not gonna let you get away from this

Mike: You shut the hell up don't say a word.

John: so this whole thing is a setup for what?

Mike: John it's none of your damn business I'm doing this to make myself a better hero in this Agency

John: I knew you were no good ever since I met you and you are paying someone that so you can be the one to save everyone in here no screw this I'm going to show this to the captain you are done

Mike: you do that you die

(Mike falls)

John: come on let's go

Cop: Was there any bombs?

John: No this whole was a setup and the guy is still in there his name is
Mike Harrison

James: wait all of this was a setup?

John: Yep, and Mike was the one behind this. He paid someone to do all
this and tried to make himself a hero by stopping the person who was
putting up the bombs. I got pictures to show them to the Captain. He is
done.

Back at the Agency

The Captain: So Mike was the one behind all of this?

John: Yes sir he was, the police have him and are on their way here.

Mike: Sir I can explain.

The Captain: I can't believe you Mike you know I thought you were the best
agent in this agency but I was wrong you were just doing this to make
yourself the best agent and you paid someone to put up the bombs.

Mike: I'm sorry sir please this is all I have, this is all Isaac's fault

The Captain: Don't blame John just because he was doing the right thing he saved all of us thanks to you. I have had enough of this Mike you're fired.

Mike: What? NOO! John you are going to regret this for the rest of your life when I come out from jail I'm going to get my revenge and ruin your life just wait.

The Captain: I know we will too it takes a lot to find him he's around the city.

John: Look, Captain, I'm going to get my revenge he killed my wife whom I have been married to for many years so let me do this sir

The Captain: (silent)

(John walks out)

Meanwhile in New York

DarkSlasher: Hello Mary Isaac

Isaac: It's him Mary RUN. Oh I forgot she can't see me

Mary: Who are you?

DarkSlasher: I'll give you a hint I was one of John's ex co-agents, he got me fired I told him I would get my revenge so you better shut your mouth and let me know what I have to do

(DarkSlasher shoots her)

Isaac: NOOOO MARYYYYYY!!!!!!!

(Isaac wakes up)

Isaac: Mary wait it can't be but he's in jail there's no way he could be that guy so that's how she died (crying) but wait how am I not dead? I don't feel pain at all and I feel ok well of course the uniform is screwed up but otherwise, I'm fine. I need to get home, I gotta tell the Captain this

Chapter 3

Isaac finds out who DarkSlasher is

(Breaking News)

News lady: Breaking News! Everyone in New York, just moments ago, there was a bomb explosion in an alley. In the footage, we saw Agent Isaac and the Murderer, who call himself The DarkSlasher. Well, we have a villain in our hands, ladies and gentlemen. Anyway, after the explosion, we see that Agent Isaac was okay. We'll let you all know for more updates. Have a good night.

The next day
At the Agency

John: Boss there's something I need to tell you.

The Captain: John what happened are you ok?

John: Yes I'm good but that's not important right now well it is a part of this

The Captain: I saw on the news you were chasing this DarkSlasher guy

John: Yeah after he exploded that bomb I felt something coming through me and then I passed out for a minute but then I had a dream where my wife died and I saw how it happened. I was in the living room and my wife was cooking and then she heard someone knocking she worried about me, and she was about to call me but then she answered the door and it was DarkSlasher she said who are you? And he said I'll give you a hint I'm one of John's ex-co-agents who got me fired I told him I'll get my revenge and then shoot her. And also after I woke up I realized I didn't feel any pain at all

The Captain: that's weird

John: so it must be that bomb I felt some radiation coming through my body.

The Captain: Wow! That's crazy and amazing but anyway, so you mean that Mike Harrison could be the one who killed your wife?

John: I mean he did mention me and he said I got him fired

The Captain: So he escaped jail, and they didn't tell me about it. Thanks for telling me; you can go now.

John: thank you, sir.

James: So what are you going to do John?

John: I'm gonna find Mike he's the one that murdered my wife and I know it's him but I need a new suit cuz mine got burned.

James: well John be careful man don't die this time

John: I don't think I will anyway see ya, James.

Back in the city

Isaac: Ok DarkSlasher where are you?

DarkSlasher: Hey Carter I see John he's over there go get him.

Carter: I got him, Boss

???????: Is that John?

(shoots Isaac)

Isaac: What the hell? Oh no.... (falls asleep)

Carter: I shot him, Boss

????????: he shot him. I gotta follow them where they are taking him.

At an abandoned place

DarkSlasher: wakey wakey Isaac

(Isaac is waking up)

Isaac: Huh? Where the hell am I?

DarkSlasher: take off this mask

Isaac: wait what? You! So you the DarkSlasher

DarkSlasher: I am but I'm also (unmasked himself)

Isaac: MIKE! I knew that dream I had was you, you murdered my wife
Why?

Mike: I told you, John, since the day you got me fired I was going to get my
revenge I wasn't playing with you

Isaac: So you had to murder Mary like what the F%&@. I did the right thing
you were doing wrong and paid someone to make it like you saved
everyone you scared a lot of people

Mike: You ruined my life, John you put me in jail and now people know I'm
a criminal and now I'm giving you a favor

Isaac: I'm going to F-

(Cat-Girl crashes in to save Isaac)

Mike: oh it's Katy

(kicks Mike in the face)

Cat-Girl: I got you, John Isaac

(Isaac punches Carter in the face)

Isaac: Ok let's go

Chapter 4

Learning Revenge isn't all that good

Isaac: Ok now who the hell are you?

Cat-Girl: You don't remember me, John?

Isaac: No?

(removes the glasses)

Isaac: Katy? Oh my god, I haven't seen you since you left the agency. Wait how did you know I got kidnap by Mike?

Katy: John I saw you looking for Mike you were on to him but I am sorry for your loss of Mary I know she meant a lot to you.

Isaac: It's been tough taking care of 2 kids is hard on my own

Katy: I heard on the news you survived that explosion

Isaac: Yeah I guess I felt something going through my body radiation so that means I can't feel any pain in my body

(DarkSlasher shoots Isaac in the head)

Katy: OH MY GOD!!!

DarkSlasher: Yes finally he's dead

Isaac: You think I died, Mike?

DarkSlasher: Well I'm out of here then

(jumps off the roof)

Isaac: I'm going to get my revenge on him I'm gonna kill him.

Katy: wait woah John it's not a good idea to do

Isaac: But he murdered Mary the love of my life it's his fault that his life is ruined he was right he said he would get his revenge on me and he did

Katy: John you gonna go to jail if you kill him you are a hero I've seen what you do if you kill him then that proves you are the crazy one, not him you've done good things in the world just like that one time in 2003 you saved a little girl life from her getting killed. look I once felt like I wanted to kill someone.

Isaac: what happened?

Katy: This was before I started my agency career in 1998 when the Justice Warriors were around at the time when I was 25 I was happily married to my husband Richard Grace but it only lasted for a year until he got shot in the chest and died in front of me it was a guy in the mask he ran off somewhere but then a week later I thought about something that I would regret to this day if I murdered him but luckily I didn't. When I caught up to the murdered one of the heroes from the Justice Warriors it was Frog-Girl she stopped me from what I was about to do she told me revenge isn't all that great to do just do the right thing so hear me out, John don't do what you are going to do, do the right thing. Things will get better you have 2

beautiful kids Bobby and Rosa they wouldn't want to see their dad going through this and seeing you in jail for life let's find him and put him right back in jail and save New York.

Isaac: You are right Katy ok let's find this son of a bitch.

Final Chapter 5 Agent Isaac & Cat-Girl Vs DarkSlasher

Mike: I can't believe this John can't die that bomb gave him the ability to make him live I have to make another bomb to make him die this time and I can also kill his kids.

Back at the Agency

Isaac: Captain we need your help.

The Captain: What's going on? Is that Katy?

Katy: Hey Captain.

Isaac: So we know it was Mike that murdered my wife and he's still out there causing more trouble so we need the whole team to look for him

The Captain: I can do that, everyone come to the room right now we have a mission. So we found out who the murderer is Mike Harrison he is the DarkSlasher so I need you all to find him he's in the FBI most wanted so now go find him.

but since that day of the bombing situation you were the one that planned
the entire thing I couldn't believe what I seen from my own eyes and no I'm
not gonna kill you I know better not to I learn from the best now you stay on
the ground and wait for the police to get here you are underarrest.

Mike: Look, John, you're a good guy I did this to make myself a great agent
and for what I did wrong Nahh I'm glad I did this now take me to jail

Isaac: Just what I thought.

James: is John still in there?

Cat-Girl: yep

James: John

John: Hey James, are the cops here?

James: yep they are oh hey Mike long time no see
